

WATER SHUTDOWN, EAST BLDG FLOORS 6 - 20

On Thursday, June 9, 2022 between the hours of 9:00 a.m. and approximately 12:00 p.m., the water service to floors 6 thru 20 in the East Building will be interrupted while a plumbing contractor replaces a defective shut-off valve on the roof that controls our fire hose box wet stand pipe. During this work you will not have any water pressure in the above apartments so if you think you may need water between the above hours you should draw it and set it aside prior to the water being shut off. To help prevent air in the water system when we turn the water back on, we would like to ask that you **NOT** run any water out of your fixtures while the water pressure is off. Air in the lines is our primary issue with the hot water after a shut off such as this so your help will be appreciated by everyone. We do apologize for the inconvenience this work will cause and will restore water pressure as soon as the work is completed. Mahalo!

TESTING OF FIRE ALARM SYSTEMS

On Wednesday, June 1, 2022 beginning at approximately 8:00 a.m. through approximately 3:00 p.m., Oahu Fire Protection Services will be here to conduct the annual testing of the fire alarms and

sprinkler systems here at the Mauna Luan. Throughout most of the morning and into the afternoon, you will be hearing the fire alarm sirens sound every time one of the pull stations is tested. They will normally only sound for a few seconds at a time when pulled but since there are three stations per floor in each building, as well as the ones in the parking structure, it is a time consuming and noisy process. We apologize for any inconvenience this testing may cause but it is a very important part of our overall

safety program here at the Mauna Luan and is also required by law. If this will cause undue disruption to you we ask that you please make alternate plans during the testing. Mahalo.

If you are on this service please be sure that we have an Authorized Entry form signed and in our possession if you will not be home when the technician arrives. SUMMER TIME AND USE OF RECREATIONAL FACILITIES

A reminder that as we head into our summer months the use of our recreational facilities normally increases a great deal with out-of-state visitors or more frequent family get-togethers. Usually, when there is a larger number of people using the facilities our pool noise tends to increase also to where the levels may go beyond reasonable and disturb other residents. The Mauna Luan has the distinction of being designed like a vacation resort although we are in fact a residential community. All residents need to understand that with facilities such as ours it is inevitable that there will be noise from the pool areas whenever there are groups of people using them. Those of us using the facilities also need to be especially aware of this problem and try to prevent loud, boisterous activity and horseplay while using the pool areas. Included in horseplay is tossing children into the air, playing loud games such as Marco Polo, and other loud activities. Here are some reminders regarding safety issues as well. The water slide is only to be used one at a time and you must be in a sitting position, facing the pool. Our rocks are there for aesthetic purposes and are not to be used as diving boards for the pools. Our pools are very shallow which is why there are 'no diving' signs all around the pool. This is for your own safety no matter how experienced you may think you are. Also please remember that all persons under the age of 12 must have a responsible adult supervising them otherwise they cannot be in the pool areas, including the hot tubs, alone. Your help with the above will be appreciated to help make everyone's summer an enjoyable one. Mahalo!

PLANNING FOR SUMMER PARTY

Just a note that the Board of Directors is currently in the planning stages to hold a Summer Bash for all residents here at the Mauna Luan. They are currently looking for a lot of volunteers who can help with planning and holding this party. Anyone who might be interested can attend a planning committee meeting on Saturday, June 4, 2022 between 9:00 a.m. and 10:00 a.m. in the West Lobby. Mahalo!

NO-SMOKING RULES

Just a reminder that smoking and/or vaping anywhere on Mauna Luan property is prohibited, including inside of the apartments. Also, this restriction does apply to marijuana, including medical marijuana, as well as any of the electronic cigarettes.

PLEASE REMEMBER TO USE HEADLIGHTS AND OBSERVE SPEED LIMITS & ALL STOP SIGNS AT ALL TIMES WHILE IN THE PARKING STRUCTURE AND OTHER AREAS OF THE PREMISES! THIS IS ESPECIALLY IMPORTANT AT THE BOTTOM OF THE GARAGE RAMP! MAHALO.

HURRICANE SEASON IS HERE!!

A reminder to all of our residents that hurricane season has officially begun and usually runs from June 1st to November 30th of each year. We are including a separate special edition hurricane newsletter with helpful hints to help prepare if you hear of a storm approaching. If you have any questions on anything regarding the storms please let us know.

USE OF KAYAK STORAGE

A reminder to all residents that our kayak storage area is not an open free for all as far as use. All of the spots in the Car Wash area are assigned to specific apartments who have paid a fee for their use. Although we have recently added additional storage for kayaks/surfboards, we still receive complaints from some of our residents who have paid for a spot that there are unknown boards/kayaks in their space. If you have not paid for use of these spaces we need you to please remove your items from the kayak storage. If they are not removed we will have them removed. We will not be responsible for any items that are there without permission. Please contact the office if you need a space. Your help will be appreciated.

DRIPPING TRASH IN HALLWAYS

Please be sure to clean up any drips from your garbage in the hallways if you drip on the wall to/from the trash rooms. This will help with the appearance and also prevent your neighbors from stepping in this mess. Thanks for your help.
